No matter where we have been or where we are going, our hearts and minds will always remember this special year. . . . Burger Queen . . . homecoming parade . . . magazine sale . . . speech tournament . . . banquets . . . plays . . . concerts . . . Now the year is only a memory, for we will never pass this way again.

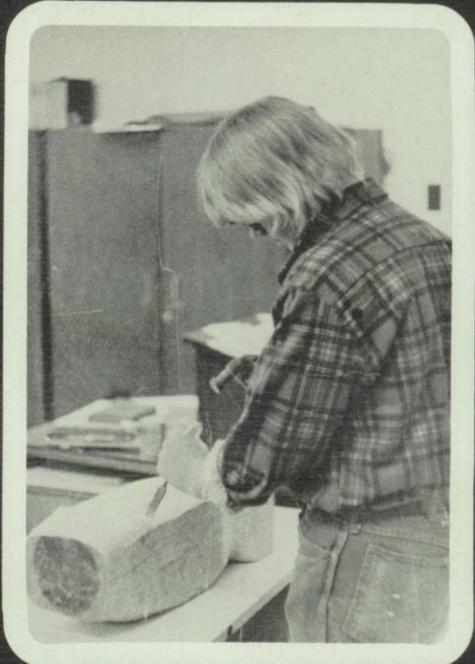

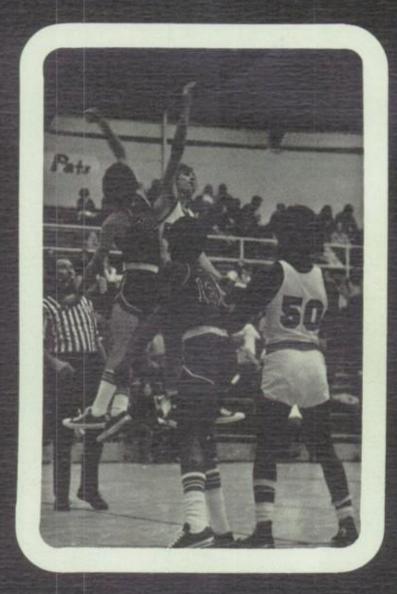

Moments, no matter how small they are, can never be replaced by our future experiences . . . college . . . marriage . . . career . . . families . . . Insignificant moments may prove to be the most cherished of our lives.

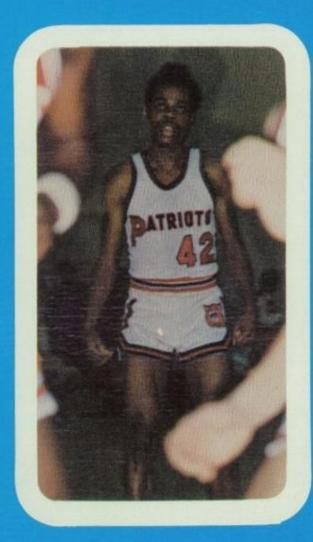

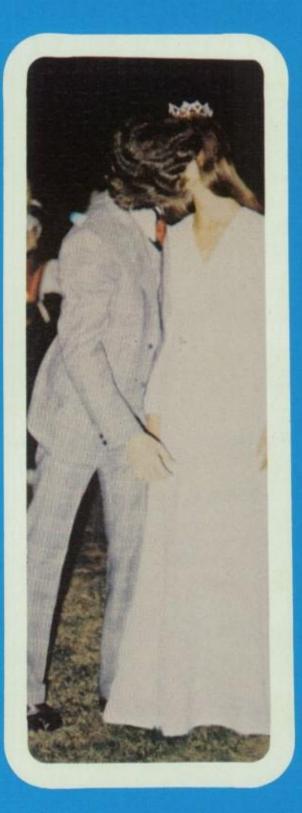

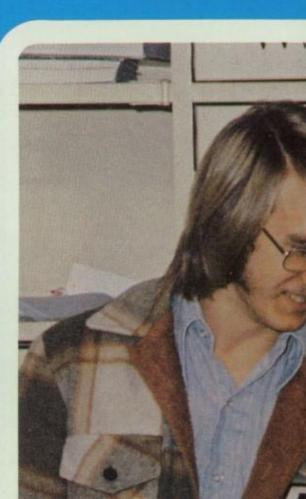

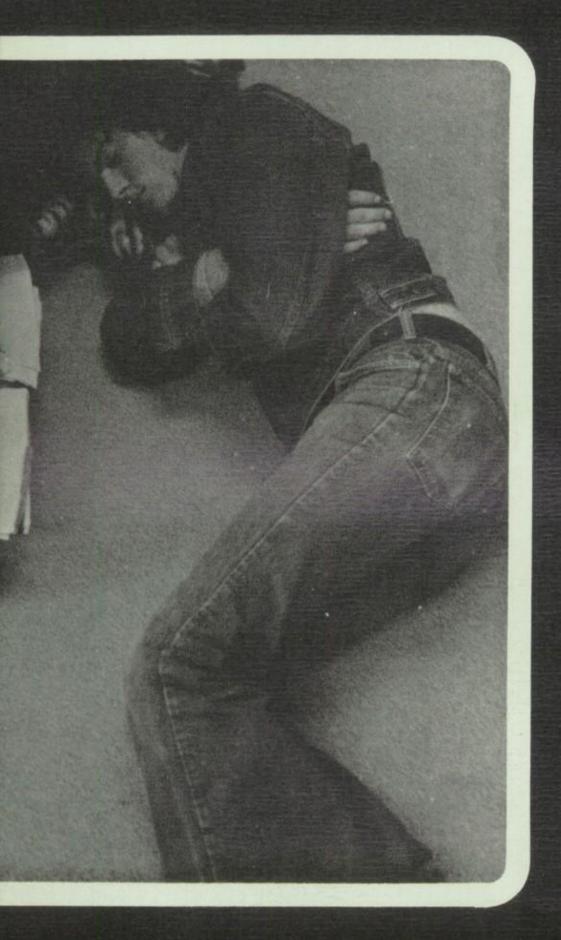

Guidance in our lives has been directed by parents and teachers but the leading hands seem to fade as we pass from today and prepare for the uncertainties of the future.

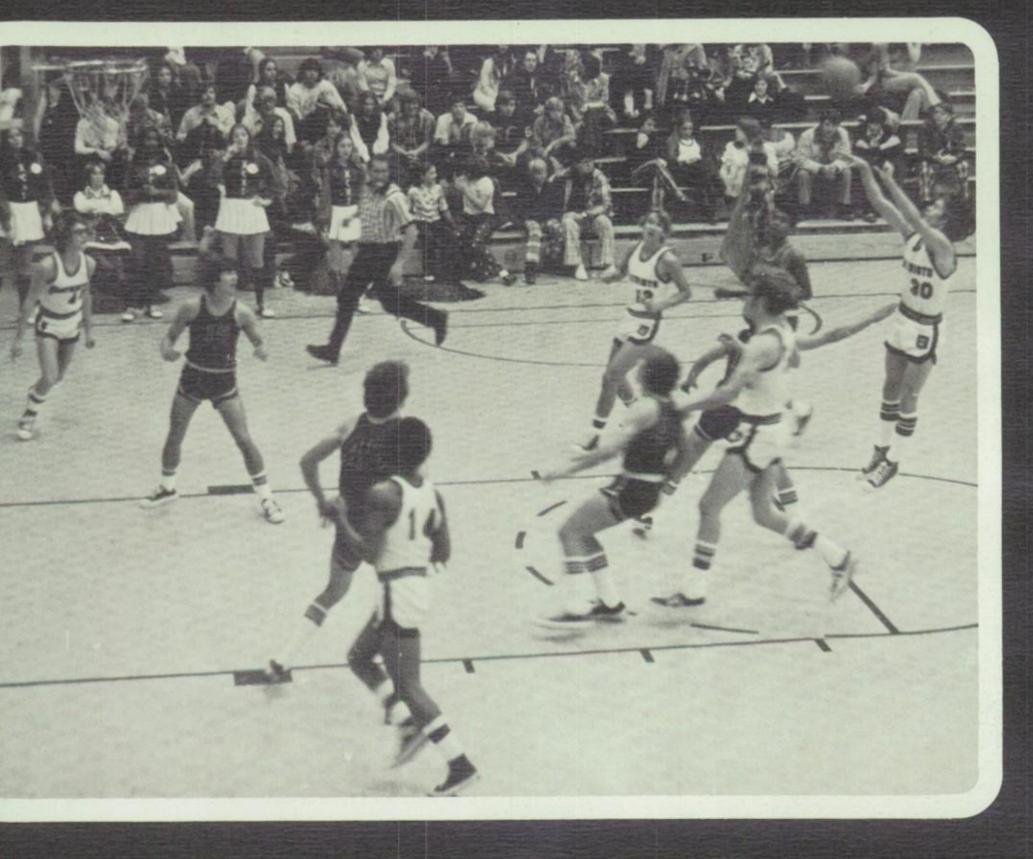

Hours of fateful study will always stay in our minds. Our studies might not seem valuable to us now but our future lives will be spent in rememberance of those hours of study. Our lives will be centered around those studies and the opportunities those studies offer us are only to be seen in the future and never again in the past.

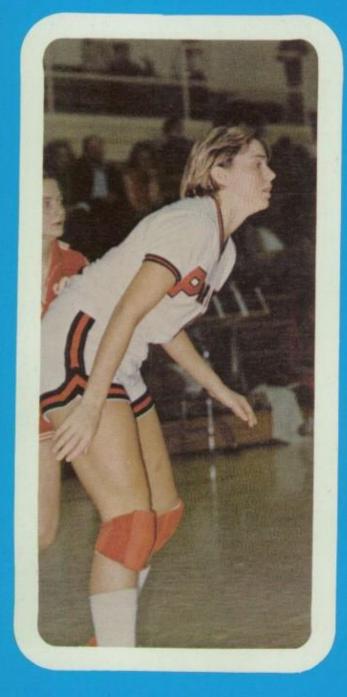

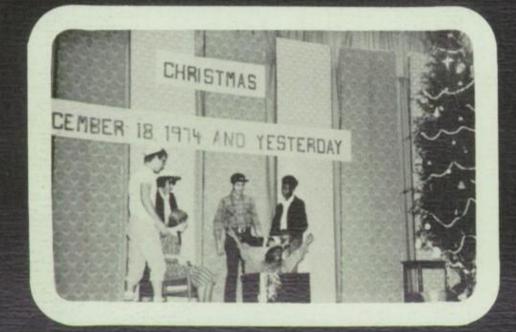

After the classes, tests, and homework, come the pep rallys, football games, basketball games, dances, concerts, and plays. Time always seemed available for one of these activities even when time could not be found to prepare for a test.

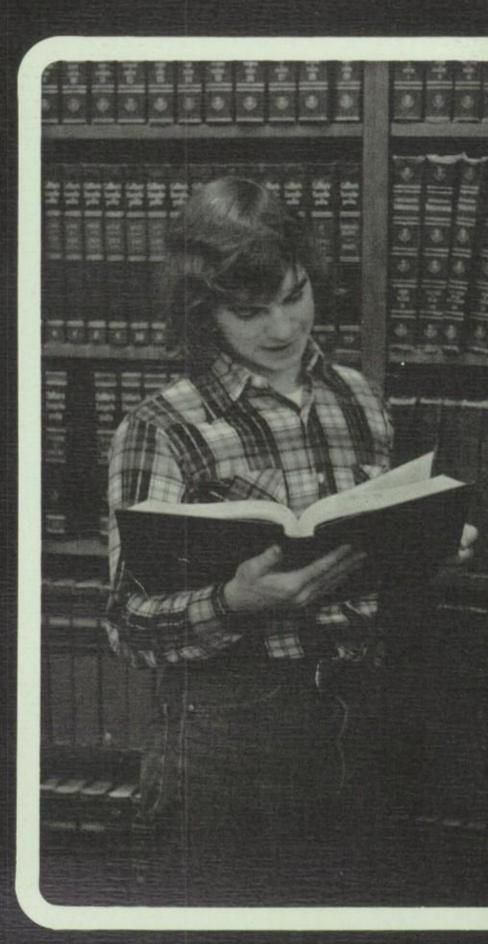

True, lasting friendships require years of work to form. Through the years we have made many friends at Henry County High School. Friends to laugh and to cry with, friends to study with, friendships that will last forever . . . and more. No person can take the place of these friends but future friendships will be stronger because of them.

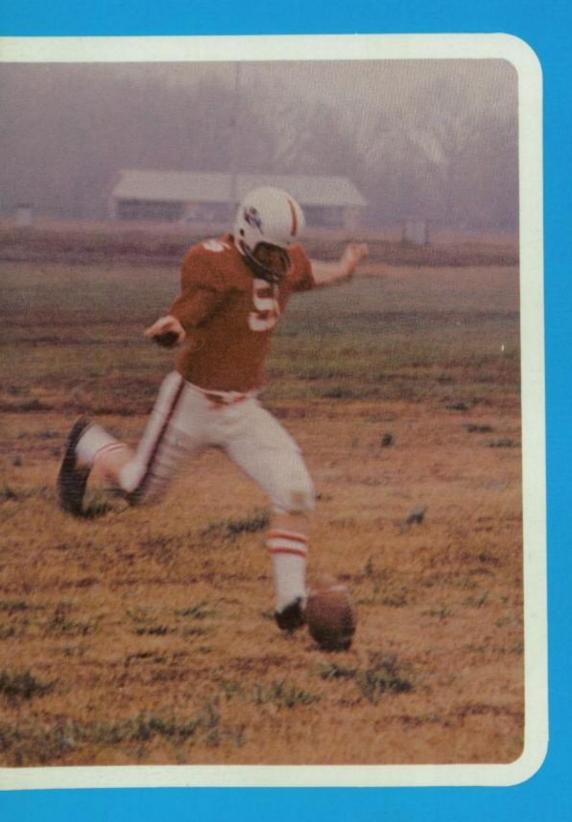

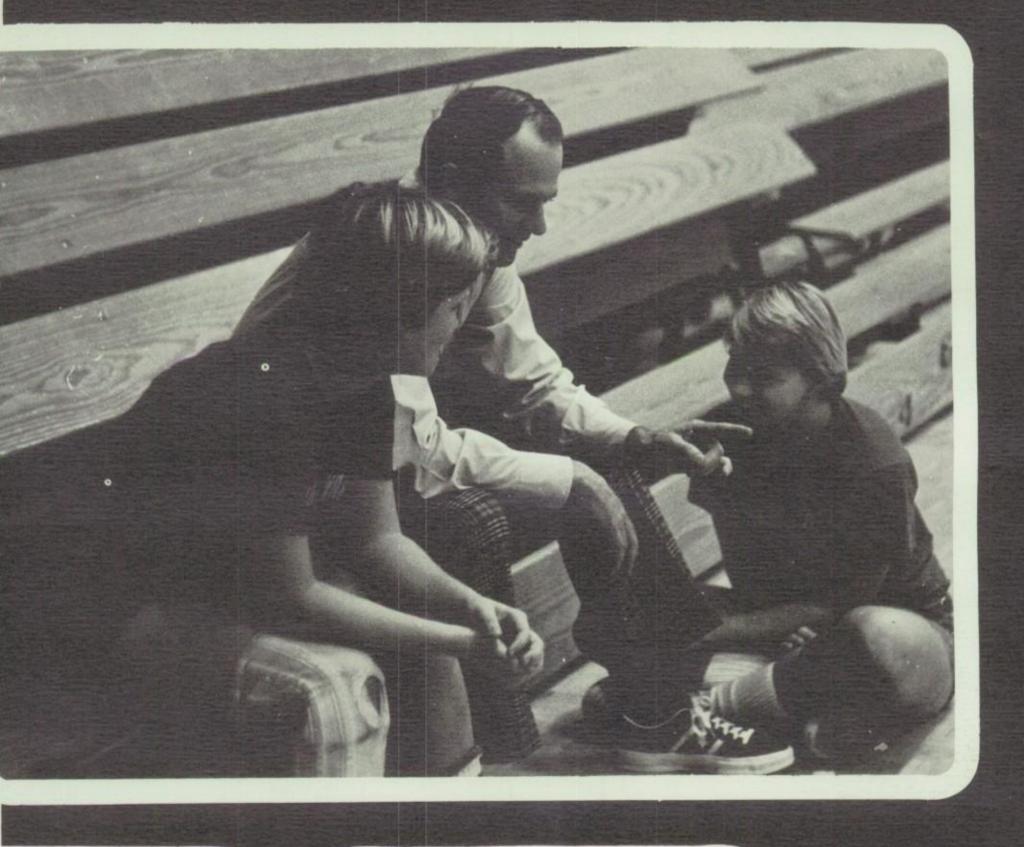

on deserto

Memories of our days in high school were joyous, sad, interesting, and funny but these days are only memories. Life and times of the future will always reflect on our past so we must build on it. Live everyday to it's fullest and always remember we will never pass this way again.

Henry County High School boasts one of the finest girls' and boys' track teams in West Tennessee. The 1975 track season began April 8 at Milan with the Patriots giving a fine showing and laying the foundation of one of its best seasons. Brownsville was the first opponent of the Lady Patriots in the 1975 season. HCHS is proud of its many stars on both teams.

Track Stars

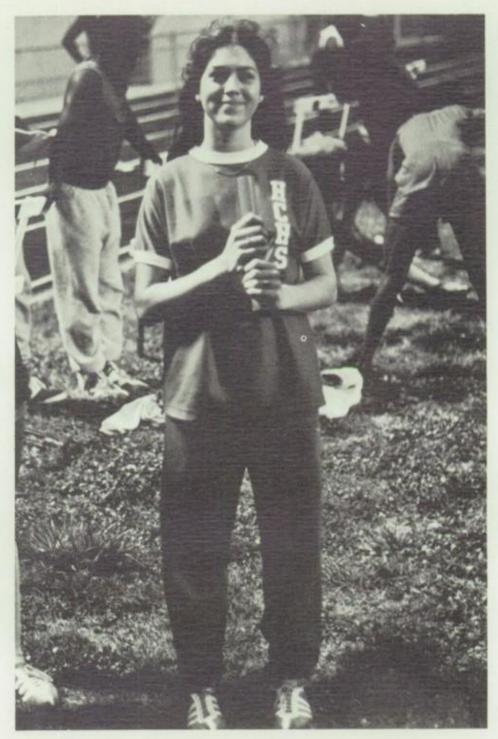

Among Henry County's finest are the members of the girls 880 relay team, Cindy Butler, Gale Hartzfeldt, and Sally Caldwell. HCHS is also strong in the field events with Sandra Ray and Nancy Carothers. Hurdles are nothing to HCHS's Steve Veazey who has succeeded in setting a new record for the low hurdles. The boys' relay team cannot go wrong with stars such as Keith Coats and the HCHS track team members.
